- Collaborative and communicative

print("Portfolio")

Profile

Motivated and detail-oriented professional with a strong foundation in software development, data management, problem-solving, and collaborative teamwork. Eager to contribute technical expertise and innovative solutions to drive success in a dynamic organization.

Experience

●

On-the-job Training

Jun 2024 - Jul 2024

Commission on Audit | Batangas Provincial Capitol

- Assisted in day-to-day administrative operations, including document filing, report preparation, and performed data encoding and basic spreadsheet management using Microsoft Excel and Google Sheets.
- Handled and organized digital and physical records, ensuring accuracy and confidentiality of information.
- Collaborated with colleagues to improve office workflows and information tracking.

Projects

●

Thesis: Enhanced Compression Time Efficiency of Brain MRI Fractal Image Compression Using CNN-Guided and KD-Tree Optimized Encoding

2024 - 2025

- Collaborated in developing a MERN stack-based platform to efficiently manage and monitor the university's building inventory, optimizing resource utilization, maintenance, energy efficiency, and informed decision-making.
- Contributed in developing the back-end, focusing on database management, secure data handling, and optimizing system performance to ensure reliable and scalable operations.
- Technology Stack: MongoDB, Express.js, React.js, Node.js

●

Building Inventory Management System for Batangas State University

2023 - 2024

- Collaborated in developing a MERN stack-based platform to efficiently manage and monitor the university's building inventory, optimizing resource utilization, maintenance, energy efficiency, and informed decision-making.
- Contributed in developing the back-end, focusing on database management, secure data handling, and optimizing system performance to ensure reliable and scalable operations.
- Technology Stack: MongoDB, Express.js, React.js, Node.js

Experience

Bachelor of Science in Computer Science

2021 - 2025

Batangas State University - Alangilan

- Dean's Lister
- GWA: 1.58 or 94%

Certifications

Certified Research Data Analyst (CRDA™)

Aug 2025

Google Cloud Computing Foundations

Dec 2024
